DAY 8	<p>Bishkek - Burana - Tamga</p> <p>Burana Tower was built in the 11th century. There was a thriving city on the Silk Road. Also, you will see stone warriors - Balbals. If a famous soldier was killed during the war, so people always make a statue for him. After an interesting excursion and climbing on top of the tower tour, we head to the most famous place of Kyrgyzstan - Issyk Kul! Issyk Kul is the largest mountain lake in Central Asia and the second largest in the world! Its length is 180 km and it is 60 km wide! The lake view is fantastic - the pure blue water and high mountains of Tien Shan all sites! The water is about 22 degrees and many people come here to bathe in the summer. This night you will spend in the village of Tamga in a house with a warm family kirghizetrès.</p>
DAY 9	<p>Tamga - Barskoon - gorges Dinguromo</p> <p>The course of two hours to Barskoon gorge where we start our trekking part of the tour. The length of the gorge is 30 km. There is a road along the gorge that connects the valley Issyk Kul, with valleys and Inner Tien-ShanCentral. At the beginning of the gorge its slopes are covered by steppe flora and sparse bushes. Then the forest zone of sapinscommence. You can see a nice mix of trees and bushes of barberry in different colors, mountain ash, buckthorn, blackcurrants, raspberries, wild rose and honeysuckle. At 2800 meters above sea level appear juniper forests. Also on the road, you will see a beautiful waterfall. The course is difficult on mountain scenery and you will have difficult climbs and exciting descents. The hike starts from the rising to spend Dinguromo. This pass is 3736 meters high and you will see a fantastic panoramic view from the top. On this day we will go trekking in the mountains and you will see a large number of mountain lakes. The time of hiking will be about 6 hours.</p> <p>The night in tents</p>
DAY 10	<p>Dinguromo - Jashil Kol Lake - gorges Dzhukuu</p> <p>Our trek begins at 8 o'clock. This day you will go along the Dzhukuu (3512 m). The road is breathtaking and you'll have a crush on our mountains! On the summit of the pass, we will stop for a moment to enjoy the incredible view. Also, you will see our fantastic Jashil Kol lake is hidden in the Rocky Mountains! For one day, you will see many different landscapes mountains. It is quite possible that we meet real nomads!</p> <p>The night in tents</p>
DAY 11	<p>Dzhukuu - Ashu Kashka Suu Kyi</p> <p>This day is dedicated to hiking from Dzhukuujusqu'à throat Ashu Kashka Suu. The path will lead us along the high mountains are covered with pine and juniper. The trees are called queens Tien Shan because of their beauty and are most sacred to the nomads trees. Juniper saw over 2000 years and people saw it as the tree of</p>

	<p>life and rebirth. Our hike takes place in Shan Tiencentral along the beach Terskey. Tien Shan is the Chinese name. In Kyrgyzstan they call Too Keep this name means Celestial Mountains. Kyrgyzstan is a mountainous country and 93% of the country consists of mountains, including the Central Tien Shan, Kyrgyz mountains and Pamir Alai. The highlight of the Kyrgyz part of Tien Shan peak of Victory which is 7437 meters high! The Tien Shan is one of the largest in Asia. It spans several countries and two thirds of the system lies in the territory of Kyrgyzstan.</p> <p>The night in tents</p>
DAY 12	<p>Ashu Kashka Kyi - gorges Jukuchak</p> <p>The hike is to Jukuchak we`ll go through the path which is 3641 m high. The name of this pass is Ashu Tor and it is famous for the panoramic view you can see it!</p> <p>There are several small rooms with clean water. People come to this place to get energy and to improve their health. The running time is 6-7 hours. The night is about 2250 m of highth.</p>
DAY 13	<p>Dzhukuchak throat - Kichi Kyzyl Suu</p> <p>The trek on the foot of the pass Orto Bulak. We'll go over to come to the Kichi Kyzyl Suu gorge. The mountain pass is 2543 meters above sea level and you will be amazed by its pristine beauty.</p> <p>The night in tents</p>
DAY 14	<p>Kichi Kyzyl Suu - Jili Suu</p> <p>The path to the gorge Chon Kyzyl Suu. This bra is very popular among the nomads, because it has a lot of green grass and a fast mountain river. In the evening you will arrive at natural warm sources Jili Suu. There is a small pool with healing water. You can take a bath to get better health and to relax after your hike.</p> <p>The night in tents</p>
DAY 15	<p>Chon Kyzyl Suu gorge - Jeti Oguz</p> <p>Trekking round wonder in the direction of the famous Jeti Oguz gorge. This is one of the most beautiful gorges in Kyrgyzstan! To reach the gorge, we will cross a mountain river and we go to Dzhayyk Kok (2751 m). From this pass, you will see unforgettable views, and you will make a lot of pictures there. Also during the trekking, you will see several times a panoramic view of Lake Issyk Kul!</p> <p>At the end of the day, we get to the yurt camp! There are many nomadic families in the gorge! And that night, you also spend in yurts of Kyrgyz nomads real!</p>
DAY 16	<p>Jeti Oguz - Karakol - Bishkek</p> <p>After a night in yurts, we will see our famous red rocks that are similar to Seven Bulls - Jeti Oguz. Once you have finished taking pictures, we drive to the town of Karakol. Karakol is an old city that was built at the time of the Russian Tsar. Then we head to Bishkek via the town Cholpon Ata. The road along the north shore of the lake and you will have many decisions to make pictures of notrelacincroyable. In the evening you can spend a night in Bishkek.</p>
DAY 17	<p>The next morning, transfer to the airport.</p>
